Time Trial Championships - 25 Miles - Seniors

The club 25 mile championships have been run since the club was formed (first season 1939). It is decided on actual time for the event designated as the championship event each year. The winner receives the Jack Ashworth Memorial Trophy, donated to the club in 1947 by the parents of a young club member, Jack Ashworth, who died that year. Winners prior to 1947 are not known.

The trophy is hallmarked and inscribed "Jack Ashworth Memorial Trophy". The cup is 250 mm high, 400 mm including the base.

Year	Name	Time	Year	Name	Time	Year	Name	Time

Time Trial Championships - 25 Miles - Juniors

The championship is decided on actual time for the designated event (same event as for the senior championship).

The championship has been contested since 1947 and the winner receives the Junior Memorial Trophy, an intricately decorated silver cup (photo). The cup is 220 mm high, 345 mm including the two part base, and is inscribed "Derby Mercury Memorial Trophy 1947" on one side and "Junior Champion" on the other.

Time Trial Championships - 25 Miles - Ladies

Decided on actual time for the same designated event as for the senior and junior championships.

The winner receives the cup shown, inscribed 'Derby Mercury RC Ladies Cup', donated to the club in 1947 by Ray Carrington.

The cup is marked EPNS and is 150 mm high, 210 mm overall.

Time Trial Championships - 10 Miles - Ladies

Decided on actual time for a designated event during the year (one of the events in the evening time trial series). In recent years the events have been over 12.5 miles - these times are indicated by an asterisk.

The original trophy, a small silver cup, was presented to the club in 1953 by Ethel Crowther, wife of Tom Crowther, joint founder of Mercians with Lew Barker. In 1980 it was given to Bette Wilkins to keep and the one shown was purchased, inscribed "Derby Mercury RC Ladies 10 Mile Time Trial Trophy".

The cup with lid is 320 mm high, 390 mm including the base.

Time Trial Championships - 10 Miles - Schoolboys / Girls (U16)

Decided on actual time for a designated event - the same one as for the Ladies 10. As noted for the Ladies event, in recent years the distance has been 12.5 miles. These times are indicated below by an asterisk.

The Trophy, awarded from 1983, is the A.R.Buxton Commemorative Trophy. This was originally the Joe Buxton Apprentice trophy at Combustion Engineering but when they stopped using it they decided to give it to the Mercury.

Ray Booty Challenge Trophy

Magnificent silver trophy awarded to Ray Booty by the Bath Road Club in 1956 on his third consecutive victory in the club's 100 mile time trial (one of the most famous TT events of the time). It was also on this occasion that Ray recorded the first ever sub 4 hour ride for a 100 mile 'out and back' time trial and is therefore a part of cycle time trialling history.

On his death, Ray wanted the trophy to go to the Derby Mercury and to be awarded each year (details were left up to the DMRC). It was decided to hold a special one-off event each year for the trophy. It was first awarded in 2015.

Year	Winner	Time	
2015	Mark Morgan	58:21	Club 25 Championship event.
2016	Harry Crew		2 laps of Windley circuit (~ 21 miles)
2017	Harry Crew		2 laps of Windley circuit (~ 21 miles)
2018	Ben Chilton		2 laps of Windley circuit (~ 21 miles)
2019	No Event		
2020	Paul Newton	57:42	2 laps of Windley circuit (~21 miles)
2021	No Event		
2022	Paul Newton	1:01:05	2 laps of Windley circuit (~21 miles)
2023	Richard Smith	1:04:34	2 laps of Windley circuit (~21 miles)
2024	Otto Chilton	55:28	2 laps of Windley circuit (~21 miles)
2025	Matt Crouch	1:00:52	2 laps of Windley circuit (~21 miles)

Evening Time Trial Series

The evening time trial series has been a part of the club programme of events almost from the very beginning although the number and mix of events has varied over the years.

Since 1994, the winner of the senior scratch competition has received the “John Wright Memorial Cup”, donated by Noreen Wright for the Juvenile Criterium Competition in 1990 in memory of her husband John (Jack) who was a member since the 1940s. When that competition ceased in 1994 the trophy was re-assigned to the TT Series. There was no trophy for this competition before that. The cup is 220 mm high, 285 mm on base.

The trophy for the Handicap competition is “The Joe Buxton Memorial Trophy”, donated by the family to the club on his death in 1979. The trophy is hallmarked and is 250 mm high, 320 mm with base.

The shield shown is inscribed ‘Schoolboy Evening Time Trial Trophy’ and carries the names of winners from 1981 to 1989, 1997, 1999, 2003, 2004, 2011 and 2012. Winners from 1990, 1991, 2009 and 2010 are not on the shield. The category is now U16.

There are no trophies for the Ladies and Juniors categories.

Freewheel Contest

The date when this contest was first held is not certain. It has been held on a variety of courses, sometimes in conjunction with the Hill Climb Championships.

The trophy is a mounted broken crank and chainring section, built by a club member. There was no trophy before 1977.

Junior Road Race Competition

The trophy was originally given for the best DMRC Junior in the Dovedale Dash. It was re-assigned in 1987 and was inscribed DMRC Junior Road Race Champion. It is inscribed on one side with "Dove Dale Dash 4¹/₂ Mile Cross Country Run K G Broadhurst 1973" followed by "Junior Road Race winner".

The other side is inscribed "Dove Dale Dash The Hambone Cup Club Junior Winner". Height 205 mm, 255 mm on its base.

Track Competition

The winner receives the Woodyet Trophy, originally presented to the winner of the Photographic Competition in 1952 but used for the Track Competition from 1974. The cup is inscribed "Woodyet Cup Presented to the Derby Mercury Cycling Club 1952". The cup is 105 mm high, 25 mm on its two part base. EPNS. Three new cups were bought for the 2016 season for vets, ladies and juniors, the Woodyet cup being awarded to the senior winner. The photo shows one of the new cups which are all the same, 160mm high.

Cyclo-X Competitions

The club has run events for the Notts and Derby League since 1981. The club competition started in 2000/01. The trophy, top photo, stands 470 mm high and was presented to the overall winner. In 2012 additional (smaller) trophies were purchased for Ladies, Vets and Juniors and the original trophy was assigned to seniors. In 2013 the vets category was split into two age groups as shown below. The smaller cups (lower left photo) are 175 mm high, 285 mm including the base. The four smaller trophies for the Vets (40-49), Vets (50+), Ladies and Junior categories, differ only in the category name on the front plate. In 2015/16 the senior cup was replaced by the old Schoolboy of the Year Trophy, engraved accordingly, mounted on the existing cyclo-cross base (lower right photo). In 2019 a new category for Ladies(40+) was introduced and the Sarah Ellen trophy (see Vets BAR) was assigned to this competition.

From 2012/13 medals have been awarded to the winners (boys and

Dovedale Dash

When Sam Andrews died in 1957 a cup was bought in his memory to present to the winner of the Dovedale Dash (fastest DMRC member). In 1960 Eric Thompson donated a new trophy for the overall winner. George Rhodes (an international runner) won it three times running and was given the trophy to keep. He donated a new trophy - the George Rhodes Trophy. In 1979 the Buxton family donated the Bucko Bowl in memory of Joe Buxton for the first lady to finish. In 1985, Ken Broadhurst donated the Hambone Cup for the first Mercury junior. After the last DMRC Dovedale Dash in 1987, the trophies were re-assigned: The Bucko Bowl to the Ladies BAR and the Hambone Cup to the Junior Road Race Competition. The Sam Andrews Memorial Trophy continued to be for the Dove Dale Dash, for the first DMRC senior to finish. The George Rhodes trophy was then awarded to the first DMRC junior to finish. This trophy has been missing since 2008.

The Sam Andrews cup is inscribed "Derby Mercury RC Sam Andrews Memorial Trophy Annual Cross Country Run". It is hallmarked and is 160 mm high, 230 mm including the base.

Clubman of the Year

In the past this award, for an outstanding contribution to the club's activities, has been decided by the committee or based on a points system but more recently has been decided by a secret ballot of people attending the AGM

The winner receives the Clubman of the Year Shield.

In 2006 the centre piece was transferred to a new shield, inscribed in memory of Mick Potts (lower photo). This shield is 450 x 360 mm.

Photographic Competition

The original trophy was the Woodyet trophy, presented by the landlady of the Duke of York pub in 1952. The competition ceased in 1958. The cup was eventually re-assigned to the track competition. The competition was resurrected in 1999 and Derrick Johnson donated a trophy, inscribed "The Margaret Johnson Bowl Derby Mercury RC Photographic Competition" for the Open Category winner in memory of his wife who died that year.

Height 150 mm, 220 mm including the base. No marks.

Flat Cat Award

Awarded to the club member suffering the worst, or most dramatic accident of the year following Geoff Sleath's collision with a cat in 1990.

The flat cat was made by Gweno and Laura Ellis and is 800 mm nose to tail. The photo shows the second incarnation of the cat made in 2013, the original being in a poor state. **Winners?**

Historical - Competitions no longer running

BAR Competitions. Following a number of years of declining interest in riding the longer distance time trials and nobody completing the required distances in 2019 it was decided to end these competitions.

Open BAR

A BAR competition was first held in the very early years after the war but the early history is unclear. Jim Turner won the "club BAR" in 1954 but under different rules.

The current competition, from 1973, is contested on the same lines as the national competition, ie the fastest average speed over a series of set distances. For the Open BAR the distances are 10, 25 50 and 100 miles.

The trophy, a large (420 x 310 mm) hardwood shield with a brass centre, inscribed 'DMRC BEST ALL ROUNDER', is shown in the photo.

Central District BAR

Decided on fastest average speed over the same distances as the Open BAR but limited to courses within the Central District of the RTTC (CTT) so as not to disadvantage those riders unable to travel around the country in search of fast courses.

The competition was instigated in 1984 and a trophy was donated by club member Ted Kerry (inscribed E. D. Kerry Financial Services). The cup is 350 mm high, including the base. The competition was stopped in 2004 and the trophy re-assigned to the 'Club BAR' competition which was introduced that year.

Year	Name	mph	Year	Name	mph	Year	Name	mph

1990	Richard Shelton	24.960	1997	Andy Eagers	26.199			

Club BAR

Competition introduced in 2004. The result is decided over four events, including at least one from each of the following: 10 miles or less, over 10 and up to 25 miles, over 25 miles. The score for each event is determined as (event winner's time)/(DMRC rider's time)x100 %. The four results are averaged to get the final % figure.

Cup - See CD BAR above.

The Competition was ended in 2019.

Junior BAR

Determined on fastest average speed as for the Open BAR but based on two rides at 10 miles and two at 25 miles and only open to Juniors as defined by the RTTC (CTT).

From 1986 the old Derby Wheelers 10 mile Junior TT trophy (photo) was awarded to the DMRC Junior BAR winner. There was no trophy before that.

The trophy, a three handled cup 120 mm diameter, is hallmarked.

The competition was ended in 2019.

Ladies BAR

Rules as for the Junior BAR but restricted to lady riders.

The history of the competition prior to 1988 is not clear. It is not known when the competition was first contested.

The trophy presented to the winner is the Bucko Bowl. This trophy was originally presented to the club in 1979 in memory of Joe ('Bucko') Buxton for the first lady finisher in the Dovedale Dash. After the Mercury stopped organising the Dovedale Dash in 1987 the trophies were re-assigned and the Bucko Bowl became the trophy for the Ladies BAR. The bowl is 320 mm across and 305 mm high on its base.

The competition was ended in 2019.

Note that winners of the Ladies Dovedale Dash competition from 1979 to 1987 appear on this trophy and are listed under past winners of the Dovedale Dash.

						2018	Hilary Johnson	20.930

Vets BAR

Contested over the same distances as the Open BAR but restricted to riders aged 40 or over and determined by the fastest average speed minus the age standard average speed defined by the RTTC (CTT).

The competition was started in 1975 and the winner receives the Sarah Ellen Trophy, a small silver cup, donated to the club in 1974 by Enid Barker in memory of Sarah Ellen Potter, a close friend of Lew and Enid Barker.

Trophy is hallmarked and is 160 mm high (230 mm with base).
Inscribed "Sarah Ellen Trophy Veterans BAR"

The competition was ended in 2019 and the trophy re-assigned to the Cyclo-X Ladies (40+) competition.

Inter-Club 25 Mile Time Trial Competition

The competition is over 25 miles and is contested by four local clubs. The clubs taking part have changed over the years but the Derby Mercury RC and the South Pennine RC have always been involved. The competition is between five man teams and is decided by the total actual time for the fastest five riders from each club.

Bill Gray donated two trophies in 1956, one for the team (left photo) and one for the individual winner (centre photo). The team trophy (left) is hallmarked and is 205 mm high, 305 mm on its base. This trophy went missing following the Feb.2016 presentation. The individual winner trophy fell into disrepair and was replaced in 2000 with the cup shown on the right. This has winners engraved on it from 2000 and is inscribed 'Bill Gray 25 Mile Team Trophy Individual Fastest 1956'. Overall height 285 mm. Silver plate.

The old individual fastest trophy (centre) was later repaired and mounted on a new base and is awarded to the Vets Road Race champion (from 2011).

Derby Mercury RC Open 25 Mile Time Trial

The club has organised open time trials from 1939, often more than one each year for the league and later the BDCA. The club's own open event dates from 1973.

In 1982, Mick Potts offered an ex- Derby Wheelers trophy, the Bill Keetley Memorial Trophy, for this event (photo). There was no trophy before 1982. The cup is 230 mm high, 310 on its base. EPNS.

Open Hilly 21 Mile TT

This early season event, run over a sporting course (2 laps of the Windley circuit), was instigated in 1994. It became part of the Peaks to Coast series and later also the Leicestershire TT series. It was last run in 2007 and was replaced by the Open 10 in 2008. There is no Trophy.

Hill Climb Championships – U14s

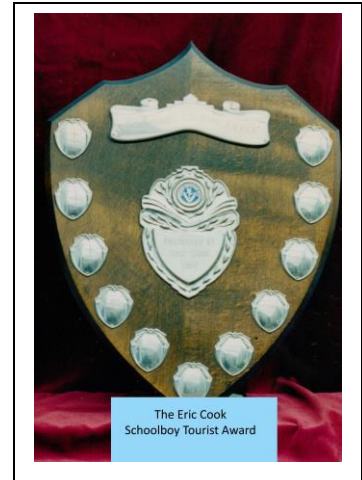

1987 Dave Perry

Tourist Trophy

The competition was started in 1985. A points system was devised which rewarded people for going on the weekly club runs, hostel weekends etc.

The winning Schoolboy/Girl received the Shield shown in the photo, presented to the club by Eric Cook. The competition has not been contested since 1990 and is no longer run. Shield 460mm x 360mm.

There was no trophy for seniors.

Schoolboys / Girls

Year	Winner
1985	Neil Farmer / Matthew Hall
1986	Neil Farmer
1987	Andrew Street / Alison Malcolm
1988	Andy Brown
1989	Paul Flint
1990	Robert Franklin

Not contested since 1990

Seniors

Year	Winner
1988	Brian Bradley
1989	Patrick Boot
1990	Jonathan Moor
1991 to 1997	not contested
1998	Derek Wilkins / Dave Orford / Jim Murfin / Tim Streets
1999	None
2000	Jim Murfin
2001	Derek & Bette Wilkins
2002	Derek Wilkins
2003	Bette Wilkins

Not contested since 2003

Schoolperson of the Year

Decided by the club committee. There has been no winner since 1999 and is no longer awarded.

The trophy, donated by Eric Cook in 1981, has a lid (like the ladies 10). It is inscribed "Eric Cook Schoolboy of the Year Trophy" and is 240 mm high without the lid, 300 mm with the base.

Re-assigned in 2015 to Cyclo Cross – see Cyclo-Cross competitions.

Year	Winner	Year	Winner	Year	Winner	Year	Winner
1981	Gary Booth	1986	Matthew Hall	1991	Michael Rivers	1996	Edward May
